2019 endowment fund values

Did you know each committee has its own endowment fund invested with The Winnipeg Foundation? In addition to the basic \$5,000 your committee has to grant each year, you can grant even more by growing your endowment fund. When you give to your school's endowment, The Foundation will match that gift dollar-for-dollar (for a total match of up to \$500 each year). Over time, your endowment will grow and give back to the community forever! The more gifts you make, the more grants you can make, and the more you help support our community.

Thank you for an incredible year!

We are so grateful to the compassionate and engaged students who made impactful grants, the staff advisors who kept us motivated and on track, and the agencies who shared their time and passion. Together we are making Winnipeg a more resilient and sustainable city.

Celebrating YIP's 20th Anniversary

We are so excited that The Winnipeg Foundation's Youth in Philanthropy (YiP) program is celebrating its 20th anniversary this year. YiP is made possible by the generosity of donors from all walks of life through gifts made to The Foundation. The program was established in 1999 to introduce local high school students to philanthropy and community development. YiP provides hands-on experience that benefits both participating students and local charities. It also brings new and valuable perspectives to The Foundation's grant-making, while empowering youth as decision-makers and leaders. This year, approximately 450 students, representing 27 high schools and three community organizations, have allocated more than \$150,000 in grants to local charitable organizations based on their committees' Causes of interest. Over the past 20 years, YiP committees have granted more than \$1.8 million into the community!

About The Winnipeg Foundation

For nearly a century, The Winnipeg Foundation has had much to celebrate, including the accomplishments of its YiP program, its grantees and participants. Since we were established in 1921, The Foundation has distributed more than \$500 million to support programs and projects throughout our community in the areas of arts, culture and heritage; children, youth and families; environment and animal welfare; health, wellness and recreation; and literacy, education and employment. The Foundation has been built by donors who have shared our vision of 'a Winnipeg where community life flourishes for all.' In 2018, The Winnipeg Foundation made 5,000 grants totaling \$4.1 million — the most in its 97-year history.
