

Receive gifts through The Winnipeg Foundation

Memorials and tributes can help you remember or celebrate a loved one by supporting a Cause that reflects their accomplishments and passions.

Either in memoriam or to honour life milestones, The Foundation has options to help you support the community in the name of someone you love.

Others may want a meaningful way to show their appreciation for your loved one. You can provide them with the opportunity to make memorial or tribute gifts. The Winnipeg Foundation can create a temporary fund and accept the gifts on your behalf.

Creating the temporary fund is simple and can be done quickly. To get started, just let us know your wishes and a name for the fund. Within 24 hours, we can accept gifts to the fund.

We can:

- Help you with wording for an obituary.
- Create a webpage where people can give securely online.

We will notify you of all gifts to the temporary fund, thank each donor individually, and provide a tax receipt for each gift.

When you are ready

You can decide how your temporary fund will help our community. We will work with you to explain your options and help you determine where to place the gift.

You may choose to:

- Establish a permanent endowment fund at The Winnipeg Foundation to support a Cause that reflects your loved one's accomplishments and passions.
- Contribute to a Cause Fund or another fund at The Winnipeg Foundation.
- Give a one-time grant to your or your loved one's favourite charity.

Establishing a temporary fund to receive memorial or tribute gifts can be coordinated at any time. We are here to help in any way we can.
