

Youth in Philanthropy presents ...

# Rooted in Community

**2016/17 YiP Celebration | May 18**

YOUTH in PHILANTHROPY IS A PROGRAM OF

THE  
WINNIPEG  
FOUNDATION

Your Community Foundation  
For Good. Forever.

# YiP: A Place for Growth

We are grateful to the Winnipeg Foundation for creating the Youth in Philanthropy program that has thought of this project and is executing it fully. Without the support and inspiration of the Foundation and the YiP initiative, we could barely go beyond just thinking about what we could do to make Winnipeg a better place. YiP is a place of growth for the youth involved as we learn to take more responsibility in caring for our city, and this is why I'm incredibly grateful to be a part of it.

– Marianna, Miles Macdonell Collegiate YiP Committee, 2017

# Thank you for another amazing year!

To the staff advisors who have kept committees on track, agencies that have shared their time and passion, and the students who have invested their energy, attention, and thoughtfulness: thank you for helping to make this the right time for our community!

## About YiP

The Winnipeg Foundation's Youth in Philanthropy (YiP) program is made possible by the generosity of donors from all walks of life through gifts made to the Foundation. YiP was established in 1999 to introduce local high school students to philanthropy and community development. The program provides hands-on experience that benefits both participating students and local charities. It also brings new and valuable perspectives to the Foundation's grantmaking, while empowering youth as decision-makers and leaders. This year, approximately 600 students, representing 27 high schools and three community organizations have allocated more than \$150,000 in grants to local charitable organizations based on areas of interest established by each student-led committee. Over the past 18 years, YiP committees have granted more than \$1.5 million into the community.

## About The Winnipeg Foundation

For more than nine decades, The Winnipeg Foundation has much to celebrate, including the accomplishments of its YiP program, its grantees and participants. Since our establishment in 1921, The Foundation has distributed more than \$400 million to support programs and projects throughout our community; in the areas of education, health, environment, heritage, arts and culture, and recreation. The Foundation has been built by donors who have shared our vision of "*a Winnipeg where community life flourishes for all.*" In 2016 The Winnipeg Foundation made grants totaling \$31.6 million to more than 900 charitable organizations – the most in its 96 year history.
