YOUTH in PHILANTHROPY
IS A PROGRAM OF

THE
WINNIPEG
FOUNDATION

W Your Community Foundation
For Good. Forever.

"As 21st century young people, it is easy to get caught up in what we see online. The bombs being dropped in cities halfway across the globe, the children suffering in HD on the screens of our phones, the bloodshed that earns our hashtags. Too often we forget about our own backyard. But then, once a cycle we come to Youth in Philanthropy (YiP) and once a year we go on a site visit to meet people working on causes in the Winnipeg community, and we are reminded again.

The site visits are special to many YiP members, because they are a chance for them to commit to tangible action. It is one thing to just give money to a problem; it is a whole other thing to understand the needs of the people you're giving to, hear the unadulterated passion in the voices of community members, and have the possibility to incite long-lasting change. The visits give students a deeper look into organizations whose messages resonate with them, past what they can find on a website or on social media. By seeing first-hand where the grant would be spent and how the organization positively impacts lives, a much more personal connection is developed on the basis of humanity."

2018 endowment fund values

Did you know each YiP committee has its own endowment fund invested with The Winnipeg Foundation? In addition to the basic \$5,000 your committee had to grant each year, you can grant even more by growing your endowment fund. When you give to your school's endowment, The Foundation will match that gift dollar-for-dollar (for a total match of up to \$500 each year). Over time, your endowment will grow and give back to the community forever! The more gifts you make, the more grants you can make, and the more you help support commUNITY!

About YiP

The Winnipeg Foundation's Youth in Philanthropy (YiP) program is made possible by the generosity of donors from all walks of life through gifts made to The Foundation. YiP was established in 1999 to introduce local high school students to philanthropy and community development. The program provides hands-on experience that benefits both participating students and local charities. It also brings new and valuable perspectives to The Foundation's grant-making, while empowering youth as decision-makers and leaders. This year, approximately 435 students, representing 26 high schools and three community organizations allocated more than \$150,000 in grants to local charitable organizations based on areas of interest established by each student-led committee. During the past 19 years, YiP committees have granted more than \$1.7 million into the community.

About The Winnipeg Foundation

The Winnipeg Foundation is **For Good. Forever.** We help people give back to our shared community by connecting generous donors with causes they care about **For Good.** We're an endowment-based public foundation, so gifts are pooled and invested, and the annual earnings are distributed back to the community **Forever.** Formed in 1921, we are proud to be the first community foundation in Canada. Since that time, we've had a lot to celebrate - including the accomplishments of YiP! We're proud to work with all our generous donors toward our shared vision of 'a Winnipeg where community life flourishes for all.'
