A Special Youth in Philanthropy Celebration 2019/2020

Leaders for Life
Thank you for making the best of a difficult situation

As a result of precautions taken during COVID-19, our YiP year looked much different, and our celebration booklet looks a bit different, too.

You may notice a few missing faces, names, and grants, as committees did their best to finish out the year amid physical distancing restrictions, school closures, and amassing responsibilities.

You may also notice special COVID-19 relief grants made to organizations currently serving vulnerable people, granted in situations where regular site visits were not feasible.

What we hope is impossible not to notice is an incredible effort on everyone’s part to continue to support our community. With more than $145,000 granted to charitable organizations who need it now more than ever, you have truly proven yourselves leaders for life.

We thank you for your willingness to change with us, and your tenacity in completing this YiP year. I wish you all the best, and hope to see you again in the fall.

Thank you,

Aliya Mrochuk
Youth Engagement Coordinator

2020 ENDOWMENT FUND VALUES

Did you know each committee has its own endowment fund invested with The Winnipeg Foundation? In addition to the base $5,000 your committee has to grant each year, you can grant even more by growing your endowment fund. When you give to your school’s endowment, The Foundation will match that gift dollar-for-dollar (for a total match of up to $500 each year). The more you give to your endowment fund, the more grants you can make, and the more you help our community.

**Our Thanks to You**

We are so grateful for our students’ passionate and thoughtful grant-making, for our staff advisors’ energy and support, and for the agencies who shared their crucial work. Together, we are a community of leaders for life.

**About YiP**

The Winnipeg Foundation’s Youth in Philanthropy (YiP) program is made possible thanks to the generosity of donors from all walks of life who make gifts through The Foundation. YiP was established in 1999 to introduce local high school students to philanthropy and community development. The program provides hands-on experience that benefits participating students and local charities alike. It also brings valuable new perspectives to The Foundation’s grant-making, while empowering youth as decisionmakers and leaders. This year, approximately 500 students representing 27 high schools and three community organizations allocated more than $145,000 in grants to local charities based on each committee’s chosen Cause. Over the past 21 years, The Winnipeg Foundation Youth have granted $1.95 million into the community.

**About The Winnipeg Foundation**

For close to a century, The Winnipeg Foundation has had much to celebrate, including the accomplishments of its YiP program, grantees and participants. The Foundation is built by donors who share our vision of “a Winnipeg where community life flourishes for all.” Since its establishment in 1921, The Foundation has distributed more than $570 million to support programs and projects in the areas of arts, culture and heritage; children, youth, and families; environment and animal welfare; health, wellness, and recreation; and literacy, education, and employment. In 2019, The Winnipeg Foundation made 5,800 grants totaling $57.5 million. Thank you for playing a role in that success!
