

Stay in touch with us!

Keeping in touch with scholarship recipients allows The Winnipeg Foundation to provide details to scholarship donors about the impact of their gifts on the lives of students. It also means we can invite you to any upcoming scholarship-related events. And, we like to feature scholarship recipients and their stories in our publications and on our website and social media to encourage donors to give to Scholarship Funds that will benefit students in future years.

We request permission to stay in touch with you over the coming years. To agree, please complete the information below. If you're under 18 years old, please have your parent or guardian sign this form.
