

Vision – A Winnipeg where community life flourishes for all.

Mission – Inspire generosity and engagement to foster transformational change for the well-being of our community, forever.

Values

Trust: We ensure transparency and integrity in our work and respect for all people and the earth in our actions.

Generosity: We approach community and one another with love, empathy and possibility.

Equity: We identify, acknowledge, and help remove systemic barriers so everyone in our community can thrive.

Transformation: We achieve greater outcomes by coming together with curiosity and creativity.

Responsiveness: We listen and commit to community priorities now and for all future generations.
